

## Content:

- Andrzej Czech & Gerhard Schwab. Introduction ..... 5
- Karl-Andreas Nitsche & Andrzej Czech. Wirgiliusz Żurowski ..... 11

### Chapter 1. Beaver distribution

- Duncan J. Halley & Frank Rosell. Current distribution, status and patterns of spread of the Eurasian beaver *Castor fiber*, and the implications for management ..... 15
- Sten Asbirk. Reintroduction of the European beaver (*Castor fiber*) in Denmark ..... 25
- Marijan Grubešić, Vladimir Kušan & Krešimir Krapinec. Monitoring of beaver (*Castor fiber* L.) population distribution in Croatia ..... 29
- Martin Gaywood. A trial re-introduction of the European beaver *Castor fiber* to Scotland .... 39
- Orsolya Bozsér. History and reintroduction of the beaver (*Castor fiber*) in Hungary, with special regard to the floodplain of the Danube in Gemenc area ..... 44
- Gerhard Schwab & Günther Lutschinger. The return of the beaver to the Danube watershed..... 47
- Gerhard Schwab & Markus Schmidbauer. The Bavarian Beaver Re-extroductions ..... 51
- Johanna Sieber, Dieter Kaltenecker & Bärbl Mertin. Restoration Program Wienfluss. Beaver Colonization of Flood Control Basins ..... 54
- Georgeta Ionescu, Ovidiu Ionescu & Radu Moț. The reintroduction of the beaver (*Castor fiber*) in Romania ..... 56
- Dusko Cirovic, Ivo Savic & Vladan Bjedov. First finding of the beaver (*Castor fiber* L. 1758) on the territory of Fr Yugoslavia ..... 58
- Jerzy Staliński & Stanisław Łapiński. Developmental history of beaver families reintroduced in the vicinity of Cracow ..... 59

### Chapter 2. Beaver biology and ecology

- Alius Ulevičius. Temporal changes in a high density beaver *Castor fiber* population ..... 63
- Algimantas Paulauskas & Alius Ulevičius. Genetic variability of European Beaver (*Castor fiber* L.) in Lithuania ..... 73
- Karl-Andreas Nitsche. Behaviour of Beavers (*Castor fiber albicus* Matschie, 1907) during the flood periods ..... 85
- Clara Stefen. *Steneofiber castorinus* and/or *Steneofiber eseri* and the miocene radiation of tertiary beavers in Europe ..... 91
- Balčiauskas Linas & Alius Ulevičius. Environmental correlates of beaver and other semi-aquatic mammals ..... 100
- Lena Bau. Behavioural ecology of reintroduced beavers (*Castor fiber*) in Klosterheden State Forest, Denmark ..... 101

### Chapter 3. Beaver influence on ecosystems and human economic

- Linas Balčiauskas, Laima Balčiauskienė & Giedrius Trakimas. Beaver influence on amphibian breeding in the agrolandscape ..... 105
- Aleksandr Andreevich Bobrov & Elena Valentinovna Chemeris. On the flora of beaver ponds in the Darwin Reserve (Upper Volga, Russia) ..... 113
- Duncan J. Halley & A. Lamberg. Populations of juvenile salmon and trout in relation to beaver damming of a spawning stream ..... 122
- Romanas Lamsodis. Beavers *Castor fiber* and the consequences of their activities in drainage channels ..... 128
- Stanisław Łapiński & Jerzy Staliński. Utilization of woody species by beavers (*Castor fiber*) in different habitats ..... 142
- Andrzej Czech, Stephanie Prior. Ecological effects of beaver reintroduction in the Carpathian Mountains ..... 143
- Andrzej Czech, Aleksandra Starzecka & Teresa Bednarz. Influence of beaver dams on metabolic activity of water microorganisms ..... 144

### Chapter 4. Beaver management

- Skip Lisle. Beaver management at the Penobscot Indian Nation, USA: Using flow devices to protect properties and create wetlands ..... 147
- Johanna Sieber. Attempting beaver management in Austria ..... 157
- Ermala Aslak. The Finnish beaver status at present and means of controlling it ..... 161
- Howard Parker, Frank Rosell, Andre Hermansen, Gjermund Sørlokk & Martin Stærk. Can beaver *Castor fiber* be selectively harvested by sex and age during spring hunting? ..... 164
- Eberhard Schneider. Beaver *Castor fiber* L. dams and how to control the water level ..... 170
- Ryszard Kaczka, Andrzej Czech & Antoni Derwich. Using a global positioning system for mapping beaver-created wetlands ..... 173
- Olgirda Belova. Status of the beaver (*Castor fiber* L.) in national parks in Lithuania, a problematic species ..... 176
- Jānis Ozoliņš & Jānis Baumanis. The current beaver status in Latvia ..... 177
- Rune Kargo. GIS for beaver (*Castor fiber*) release site identification and assessment of carrying capacity in Denmark ..... 178

### Chapter 5. Miscellaneous

- Gerhard Schwab. www.European-Beaver-Network.org – the beaver lodge in the internet ... 181
- Matthias Kleinke. Focus on Environment – The German Federal Environmental Foundation (Deutsche Bundesstiftung Umwelt) ..... 182
- Eberhard Schneider. Reflections on the ecology of a reintroduced Beaver *Castor fiber* population and consequent management: a mark of respect to WIRGILIUSZ ŻUROWSKI ..... 184
- Jānis Ozoliņš & Karl-Andreas Nitsche. In memory of Martins Balodis ..... 195
